

RAILINGS

CUSTOM METAL HANDRAILS not only provide safety but are also one of the latest trends in home decor. A well-crafted, beautifully designed handrail provides charm and value to any home or business.

If your railing needs to be updated or is a safety hazard because they are loose or broken, Macy Industries can repair or replace any handrail. We can even match custom designs and offer optional wooden inserts.

AWNINGS

Bring your business to life with a **CUSTOM METAL COMMERCIAL AWNING**! Macy Industries offers completely customized awnings tailored for your property. Awnings are not only stylish but are functional.

A commercial awning will serve multi-purposes for your business. With a superb quality awning, you can expect:

CURB APPEAL – You'll enhance your building with a professional awning.

SHELTER – When a sudden downpour hits, your customers will be happy for a place to stay dry!

OUR DOORS are simply the best hydraulic doors on the market. Whether you have a single door project, or need many of varying sizes, we are the only company that designs, manufactures, delivers and installs every one, so you'll enjoy single source accountability.

Our doors are all installed by factory trained pros, never by subcontractors! Your personal door or opening wall project will proceed without a hitch through each stage. Look over our projects, then let us know what we can do for you. Our lead times and prices are very competitive.
